

Lead Mentor Scavenger Hunt

Work with a partner or a trio to answer these questions from the Mentor Teaching Program website.

1. Open <http://mentor.jordandistrict.org> in an internet browser.

2. Our team has a **home page** we update each month. Look at the current post. How could you use this to help your mentor program in your school?

Discuss it with your partner. Record 1-3 ideas you discuss:

-
-
-

3. Locate the **Lead Mentor** tab on the menu bar. Complete these tasks:

a. Click on **Lead Mentor Responsibilities**.

This page has information about lead mentor responsibilities. Read through list and answer these questions:

- Look at the information about school spreadsheets. Where are you at in this process?
- How often is it recommended to meet with your district Mentor teacher specialist? _____

b. Click on **Lead Mentor Training**.

This page has information from previous mentor trainings. Choose two resources from the trainings. How could you use these in your role as lead mentor? Discuss with your partner and record your ideas.

-
-

c. Click on **Mentor Professional Development Ideas**.

This page has professional development ideas from previous trainings that can be duplicated in your school. Have you shared any of these ideas with mentors in your school? Record two ideas you have shared - or ideas you would like to share.

-
-

d. Click on **Provisional Educator Support**.

This page has suggestions on how to provide support to your provisional educators. How does your school provide support to your provisional educators? Discuss with your partner and record two things you do to assist beginning teachers.
