

September 2018

Discuss these questions with your partners. Record any notes you may need.

1. How many provisional educators are in your school? What have you done to support them so far this year? (i.e. new teacher meetings, observations, etc.)

2. What have you done to support mentors this year? (i.e. mentor meetings, articles in boxes, etc.) What else can you do to support them throughout the year?

3. What resources will you need?
