

Utah Educator Licensing Renewals School Year 2020-21

Due to the recent change in the educator licensing structure, there are several options for renewal at this time. You may choose to use the [New Professional Educator License Renewal Form](#) to renew your license; there is no penalty for renewing from an expired state. The following educator license types have been **retired** and are no longer available. However, you may select to renew or upgrade your license using the process that was in place when your license was awarded. [Former Renewal Categories](#)

Please note: ALL license renewals and upgrades are available until October 31, 2020 due to COVID-19 related closures.
